

PORTABLE LCD PROJECTOR

Hitachi's compact and light weight CPX8 XGA Portable projector is perfect for the mobile business professional. Whether it is used in the office or visiting customers, the CPX8 combines simple usability with powerful performance enabling users to set up their presentations in seconds.

Performance

- XGA resolution (1024 x 768)
- 2700 ANSI Lumens (Normal Mode)
- Direct on and Auto off
- 500:1 Contrast ratio
- Low noise level 28dB in Eco Mode
- Lightweight at only 2.2Kg
- Daytime Mode
- Blackboard and Whiteboard Modes
- Anti Theft features:
- Security bar
- PIN-Lock
- MyScreen PIN-Lock
- Keypad Lock
- Kensington Lock
- Transition Detector

Cost of ownership

- Extended Hybrid Filter life with 5000 hour filter
- Long lamp life 4000 hours (Eco Mode)*
- No additional filter cleaning costs
- Easy set up and installation
- Power saving mode
- Virtually maintenance free

Environment

- The extended Hybrid Filter and lamp life means reduced electronic waste and reduced maintenance visits, resulting in an overall reduction in carbon footprint.
- Reduced power consumption Less than 0.5W in Standby Mode

Hitachi have formulated an "Environmental Vision" to contribute towards building a sustainable society through business and product development.

Our goal is to develop life-enhancing technology that will contribute to and realise a truly sustainable society for current and future generations.

HITACHI Inspire the Next

"The stated lamp life refers to the average life expected in ideal operating conditions with usage in accordance with the manual. The majority of, but not all lamps should achieve this figure. "Where a lamp fails within warranty and a replacement lamp is taken, the warranty for the replacement lamp will be a maximum of 6 months (dependent on warranty hours stated). The "HD ready" Logo is a trademark of EICTA. HDMI, the HDMI logo and High-Definition Multimedia Interface are trademarks or registered trademarks of HDMI Licensing LLC.
